CHUKA'S

CHOP & CHANGE

'I'm sorry I'm not one of those people who thinks we should be calling for a second referendum. I think that that would just look like... the referendum was fought under rules we agreed to. The result was delivered. Just because we don't like it we now want to replay it again - which will simply entrench the view that we're some elite, who don't want to pay any attention to the people I'm sorry that's just how I feel.'

Challenge Network Conference. Sept 2016.

As well as repeatedly changing parties **Chuka Umunna MP** also thinks he can chop and change his promises. He no longer accepts that the referendum was an instruction to Leave the EU. He now wants the UK to rejoin the EU with no further vote.

'Bollocks to Brexit'

Lib Dems 2019 Campaign Slogan

Lib Dems campaigned for a decade for an EU membership referendum. In 2015 their MPs voted for that referendum to be held. They participated in the EU referendum. They lost the referendum. But they are bad losers. **They want your vote now, even though they ignore your vote when it suits them.**

WE SUGGEST THAT YOU IGNORE THEM
